

PURE CORE

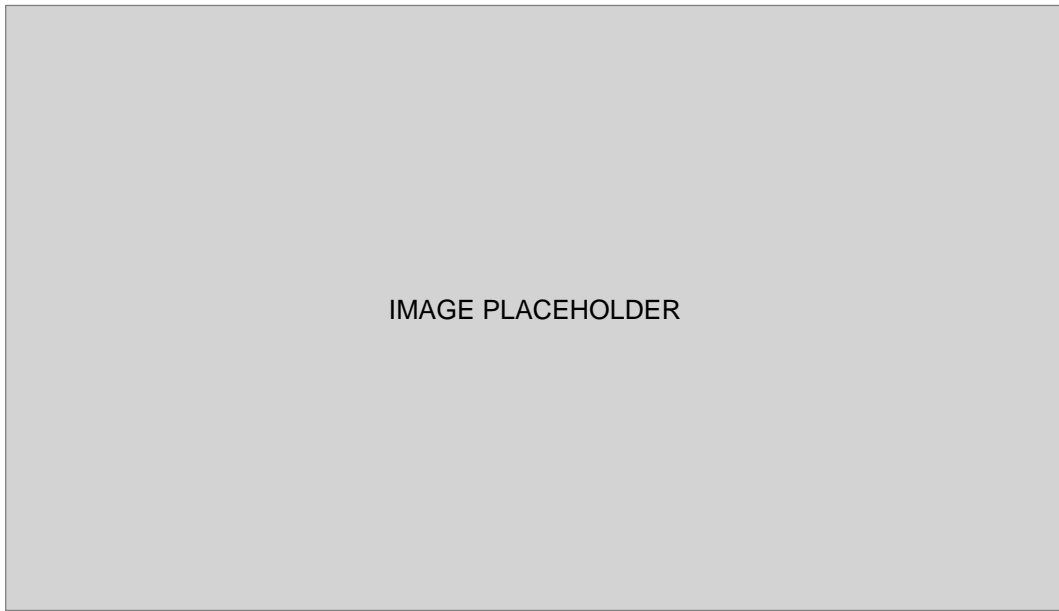

Professional Classical Pilates Equipment

Catalog – Working Draft Edition 2026

About Pure Core

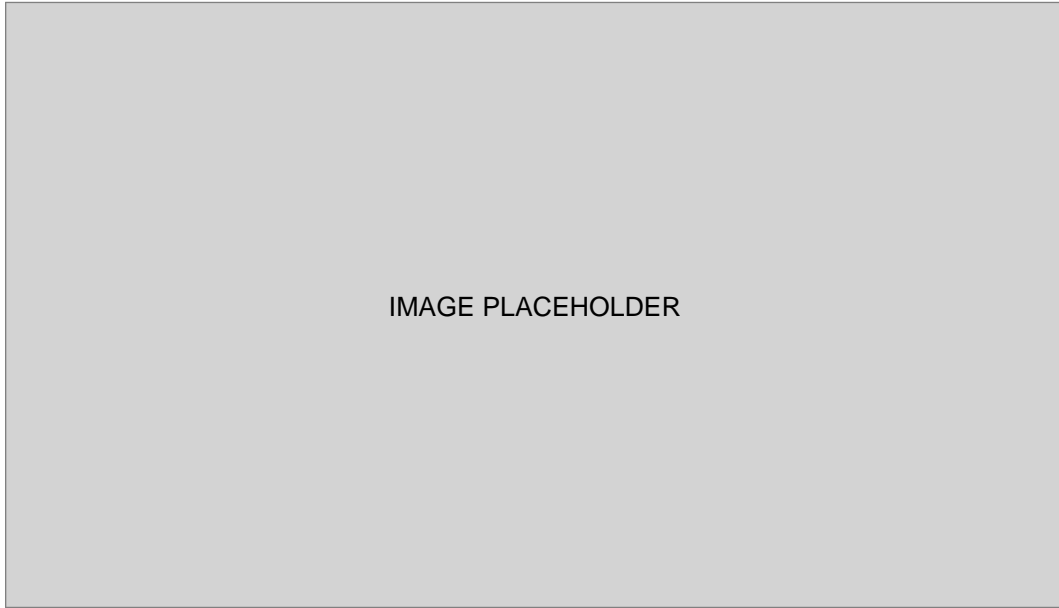

Pure Core is a premium brand dedicated to classical Pilates equipment. Our systems are designed for precision, durability and timeless studio aesthetics. Each device is developed to support control, flow and long-term reliability in professional environments.

Reformer

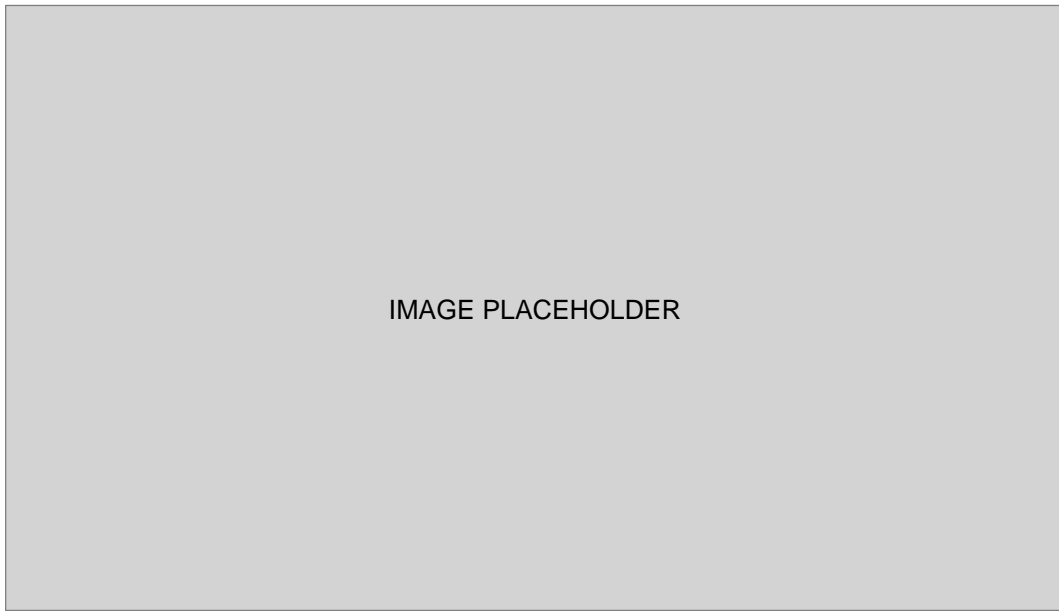

Stable, precision-built construction ensuring smooth carriage movement and maximum control. Designed for professional studios seeking reliability and refined aesthetics.

Cadillac / Tower

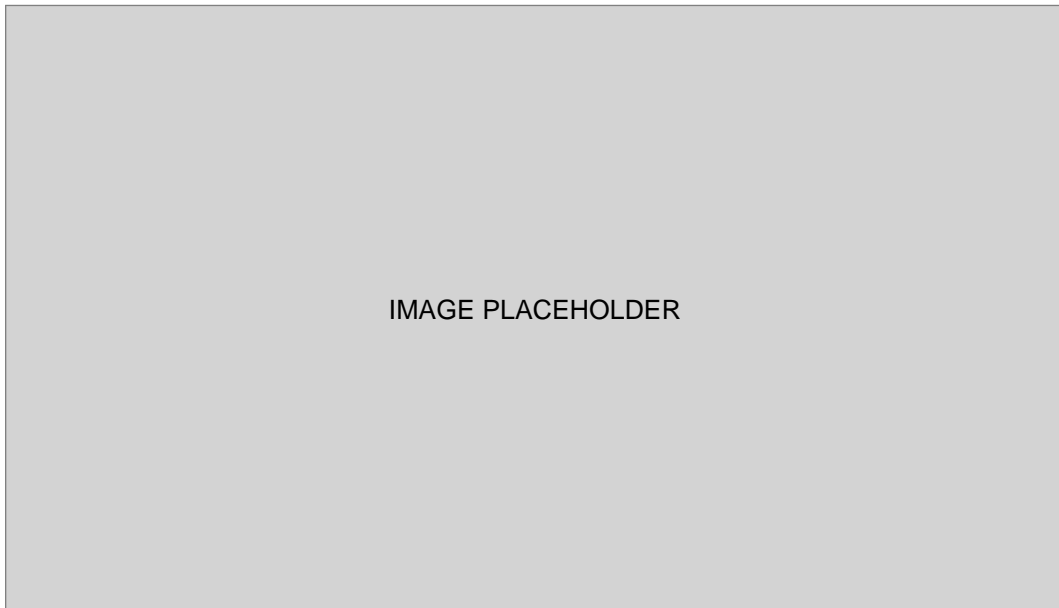

Versatile system supporting full-body training and rehabilitation work. Engineered for stability, adjustability and long-term performance.

Chair

Compact yet powerful equipment ideal for strength, balance and controlled movement training. Perfect complement to a complete studio system.

Barrels & Accessories

Complementary equipment enhancing flexibility, spinal articulation and advanced progression work. Crafted with premium materials and attention to detail.
